

Name: _____

Alcohol Doesn't Do a Body Good

Directions: Read the article "Alcohol's Assault" (page 8). Then answer the questions below.

1. What effects does alcohol poisoning have on the body?

2. What is binge drinking?

3. What are the long-term effects of heavy alcohol use?

4. Over time, how does alcohol affect the skin?

5. How long does it take alcohol to reach the brain, and how does it get there?

6. What are the symptoms of a hangover?
